

Sintex

Best way to handle wet, dry & knitted fabric

# Processing Trolleys

| Stain free | Snag free | Stylish |

Serving textile industry  
for 3 decades now

# Processing Trolleys

Sintex has been the pioneer & leader in plastic processing trolleys for almost 3 decades now. It revolutionized the very concept of in-house material handling in textile industry in India by replacing conventional trolleys. It doesn't allow the staining and it's good for wet & dry fabrics also. It eliminates tearing of fabrics hence saves on wastage. In fact, it's a unanimous choice of textile industry across India.

## Features

- ▶ Moulded out of superior grades of polyethylene
- ▶ Seamless and smooth inside out
- ▶ Strong and many times more durable
- ▶ Maintenance free & Lightweight
- ▶ Chemical resistant
- ▶ Wheel mounted for ease of handling
- ▶ Facilitates total drainage of liquid
- ▶ Large range to handle fabrics of all widths and types

## Range & Specifications

### Series "PT" Processing Trolleys

Code No.	Capacity (Litres)	Overall Dimensions mm (inches)		
		L	W	H
PT-30-01	300	895	590	760
